

**REMARKS**

The following constitutes Applicant's Response to the Examiner's non-final Office Action mailed September 29, 2008. Claim 5 is cancelled and Claims 1-4 and 6-20 are amended. Accordingly, Claims 1-4 and 6-20 are now pending in view of the above amendments.

**I. Declaration**

As requested by the Examiner, a new Declaration is submitted herewith.

**II. Rejection Under 35 U.S.C. § 112, Second Paragraph**

The Examiner rejected Claims 1-20 under 35 U.S.C. § 112, Second Paragraph as being indefinite and for failure to point out and distinctly claim subject matter which Applicant regards as the invention. The Examiner indicated, however, that Claims 1-20 would be allowable if amended to over come this rejection. Applicant expresses his appreciation for the Examiner's indication of allowable subject matter.

Applicant has made amendments to the abstract, specification, and claims in accordance with 37 C.F.R. § 1.125, and submits a substitute specification, including a clean and marked up copy, herewith. For the Examiner's convenience, Applicant's amendments to the abstract and claims have been listed in this Amendment and Response.

Further, pursuant to 37 C.F.R. § 1.125, Applicant asserts that no new matter has been included by way of submission of a substitute specification, amended abstract, and amended claims. Furthermore, Applicant's proposed amendments are reflective of similar amendments made in the Korean priority counterpart application.

Applicant believes that the current amendments are sufficient to over come Examiner's 35 U.S.C. § 112, Second Paragraph rejection, and therefore requests the withdrawal of the same.

**CONCLUSION**

In view of the foregoing, Applicant believes the claims as amended are in allowable form. In the event that the Examiner finds remaining impediment to a prompt allowance of this application that may be clarified through a telephone interview, or which may be overcome by an Examiner's Amendment, the Examiner is requested to contact the undersigned attorney.

Applicant believes no fees are due for this submission. However, please debit any over or under payment to Deposit Account No. 08-2665.

Respectfully submitted,
